http://gsm.utmck.edu/cme/Big4Cancer

The University of Tennessee Medical Center Cancer Institute
and the University of Tennessee Graduate School of Medicine present

Mission
With the goal of improving the quality of healthcare, the University of Tennessee Graduate School of Medicine offers professional development activities to enhance the skills and knowledge of physicians at the local, state, regional and national levels.

UT Graduate School of Medicine
1924 Alcoa Highway, D-116
Knoxville, TN 37920-6999
http://gsm.utmck.edu/cme/Big4Cancer
Who should attend? Healthcare professionals practicing in:
- Dermatology
- General Surgery
- Gynecologic Oncology
- Hematology/Oncology
- Medical Oncology
- Pathology
- Primary Care
- Public Health
- Radiation Oncology
- Surgical Oncology

Course Objectives
At the conclusion of this program that the participant should be able to:
- Formulate new therapeutic recommendations for the treatment of melanoma, gynecologic malignancies, and leukemia/lymphoma consistent with NCCN guidelines
- Evaluate current issues and trends in melanoma, gynecologic malignancies, and leukemia/lymphoma that include NCCN guidelines
- Describe recent updates and current controversies in the multidisciplinary management of patients with melanoma, gynecologic malignancies, and leukemia/lymphoma
- Identify creative strategies for collaboration with primary care professionals on overall coordination of patients’ cancer care
- Identify opportunities to influence health care disparities through collaboration, educational outreach, and creating unique treatment paradigms

Friday:
The University of Tennessee College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. Successful completion of this application-based activity will provide a statement for seven (70) live contact hours credit (0.7 CEUs) and will be mailed within 3 weeks following the activity. Successful completion includes attending the session, signing the attendance sheet, and completing the activity evaluation form.
