Aetna Post-Acute Transfer Waiver Extended

Aetna has extended its post-acute waiver through Oct. 18.

- Initial precertification/prior authorization for admission from acute care hospitals to skilled nursing facilities (SNF) are waived for all commercial and Medicare Advantage (MA) Part C plans.
- The SNFs will be required to notify Aetna of admissions within 48 hours.
- The post-acute care facility also would be required to send medical records for concurrent review within three days of the initial admission.
